Try Everything!

We all want our daughters to put aside their fears, understand how powerful they are and how much they can accomplish in their lives. The *simple* recipe for this is to give our daughters chances to try new things. When they succeed they gain confidence to try the next thing and the next... and if they have to try a few times to succeed, to build skills and courage, all the better. Girl Scouts is the perfect place for each **GIRL** to gain comfort with trying new things, being unafraid of failure, even if she doesn't at first succeed. 80% of Girl Scouts say they have tried things they never would have without Girl Scouts.

We bring opportunities for girls to **Try Everything!**

The world needs more:

Go Getters

Innovators

Risk Takers

Leaders

That is exactly who we are at **girl scouts**

Membership is open to all girls, including those who are physically or mentally challenged, who meet the age requirements (K-12th grades), make the Girl Scout Promise, accept the Girl Scout Law and pay the annual \$25 membership fee.

Generally, a large majority of the troop activities are paid through the proceeds of the Cookie Sale activity. Troops also collect modest troop dues. When more adventurous activities require, the girls in a troop may do money-earning activities in addition to the Cookie Sale activity.

The Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Volunteer and become the role model they'll always remember.

As a volunteer, you'll make a huge impact on the lives of girls. You'll introduce them to new experiences that show them they're capable of more than they ever imagined.

Whether you can give a day, a few weeks, or the whole year, it all starts with you.

Don't make them wait another minute!
Volunteer today.
