MAGIC Awards Winners Express Thanks\_\_\_\_\_

MAGIC Design Award winners Jeff and Andrea Novak believe in supporting our local economy and put that belief to practice in the remodeling of their business, the Crow Bar and Grill. They would like to thank the businesses that helped to make their project a success:

- ❖ JMG Builders
- ❖ G.W. Kadow Plumbing & Heating, LLC
- ❖ Kintgen & Son Construction
- ❖ Koeppel Electric
- ❖ Robert Becker Masonry
- ❖ Schaus Heating and Cooling
- ❖ Coenen Flooring

Rod and Laurie Musil, winners of the Genie Award, also expressed thanks to those with whom they have worked on community projects:

- ❖ Kettle Range Snow Riders
- ❖ Paul Kuehn of PK's Autobody

Lisa Heyroth, winner of the Abracadabra Award, expressed her gratitude to others she has worked with throughout the year:

- ❖ Sally Kintgen of Andercraft Woods
- ❖ Kim Rahmlow of Bank First National

Lisa, Sally, and Kim are the driving force of the Mishicot Area Business Association or MBA which was created in 2008. The MBA is a subcommittee of the Mishicot Area and Growth Improvement Committee and has been working to schedule events throughout the year to benefit businesses and the community. Most events are free. They are responsible for sponsoring movie nights, Easter Egg Hunt, Run/Walk, Christmas in the Village, and Winter Games in the Park. Check the Calendar link on the Mishicot website for a current schedule of events at [www.mishicot.org](http://www.mishicot.org).

NEWS FROM LTC

by Sara Greenwood

Lakeshore Technical College is quietly making a positive impact in the village, offering educational opportunities and helping residents and students grow.

LTC is represented in the community, by its high school liaison dedicated to serving the school district. Liaison Sara Greenwood visits the high school monthly and makes presentations on college and careers when requested.

In addition to liaison visits, LTC is providing a Nursing Assistant course at the high school this spring for students in Mishicot and elsewhere throughout the county. Students enrolled in Medical Terminology at the high school are earning college credit through LTC. By taking this course in high school they are saving money and getting a jumpstart on their college careers.

LTC also is a sponsor of Project Mini-Chopper, which pairs local industries with area high school student teams. The teams build a mini-chopper which reflects the design of their sponsor's product. Students learn a variety of skills through the program while building the chopper. They also receive advanced standing credit through LTC. This year Mishicot High Schools students are paired with Formrite.

LTC's involvement in Mishicot isn't only for high school students. LTC also offers community education classes in the fall and spring open to all residents communitywide. Evening classes are held at Mishicot High School.

For more information about Lakeshore Technical College and the services offered in Mishicot, visit [www.gotoltc.edu](http://www.gotoltc.edu), or contact High School Liaison Sara Greenwood at (920) 693-1145 or [Sara.Greenwood@gotoltc.edu](mailto:Sara.Greenwood@gotoltc.edu).

## Featured Volunteers

---

Scott Wilson and Sam Wavrunek have been very generous with their time, talents, and donations of plants and flowers for village beautification. Owners of Living Colors, the two have put in a lot of time redoing the flower bed by the cemetery on Main Street along with other dedicated volunteers. Several of the planters and barrels last season were cared for by Scott and Sam. Thanks to the guys of Living Colors for their green thumbs! You have helped to make Mishicot a more beautiful place!

## SAGBRAW Returns

---

Mishicot will once again host Schramm's Annual Great Bicycle Ride Across Wisconsin for an overnight rest stop. The bicyclists will stay on the school grounds on August 3 and 4, 2011. The tour group will begin their journey at Marinette, and then travel on to Green Bay, Sturgeon Bay, Mishicot, Sheboygan, and Kewaskum. A big thank you to the school district for once again organizing the overnight stop for the bicyclists during their stay in Mishicot. More information is available by emailing [magic@tm.net](mailto:magic@tm.net) or online at the SAGBRAW website — [www.bikewisconsin.com](http://www.bikewisconsin.com).

## Lester Library Book Returns

---

Lester Library will no longer provide book returns for the village. The service will continue however with help from volunteers in the community. Library books and AV materials will be accepted in the collection bins at the rear of the village hall for return on Mondays, Wednesdays, and Fridays beginning approximately May 1, 2011. If you are interested in helping, please contact Melvin Klimant at 920-755-4032 to be added to the volunteer schedule.

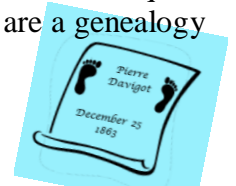

## VILLAGE NEWS

### Family History Quest

The MAGIC office needs your help. A woman from France is asking if anyone has information about her ancestor-- her "aieul." His name was Pierre Davigot and his birthday was December 25, 1863. If anyone has any knowledge of this family, please contact Virginia Parlato at 920-755-4824 or magic@tm.net. The request for information about Pierre Davigot also included the hope of finding his birth records. If you are a genealogy tracker, please consider lending us a hand.

### Police Department and MAGIC Offices Trade Spaces

The Mishicot Police Department and the Mishicot Area Growth and Improvement Committee offices have changed places. The Police Department is now located in the front of the Municipal Building, 511 East Main Street. The Mishicot Area Growth and Improvement Committee office is now in the rear of the Village Hall side of the Municipal Building. Phone numbers remain the same:

Police: 920-755-4041

MAGIC: 920-755-3411

### Mishicot Youth Sports Baseball and Softball Tournaments

by Allen Kliment

The Mishicot Youth Sports organization will be hosting its 6<sup>th</sup> annual baseball and softball tournaments from June 23-26, 2011 at the Mishicot Village Park and the Mishicot Vet's Club diamonds. Parents, coaches, willing volunteers, and even the youth all help to plan, organize, and set-up for the weekend, especially the concessions and the baseball/softball fields.

This year, there will be four different leagues competing for championships, including Peanuts T-ball, PeeWees baseball, Modified Girls' softball, and new in 2011, Ponies baseball. Games will be played Thursday and Friday nights, along with all day Saturday and Sunday. The finals in each of the leagues will take place later on Sunday.

Teams from throughout Manitowoc County will be coming to Mishicot, to take part in the tournament. In past years, teams from such communities as Francis Creek, Newton, Valders, St. Nazianz, and Reedsville have competed against our own teams from Mishicot, giving local fans an opportunity to see teams from other divisions.

Besides the on-field competition, the tournament brings many fans to the Mishicot area, which is great for the local economy. Additionally, the money raised from the tournaments goes right back into the community, providing the Village Park and Vet's Club with new scoreboards, new bleachers, new bases, and new sports equipment used by the Mishicot baseball and softball teams.

The teams competing for championships on Sunday can earn individual medals, as well as team trophies. More importantly, the tournament atmosphere provides a unique setting for the various teams to showcase their talents, and because of the timing of the games (late June), also gives teams a chance to gauge where there are in terms of their season. But above all, the tournaments provide a unique opportunity for family members and friends to come out during a weekend and cheer on their son or daughter, neighbor or friend, as they try and help their baseball or softball team play as well as they can.
